

## You Can Make a Difference

Episcopal Community Services helps individuals and families with multiple needs overcome the impact of poverty. ECS relies on the generosity of individual, parish, foundation and corporate donors for a substantial portion of its annual operating budget of over \$18 million. As government funding continues to decline, Annual Fund giving has become even more crucial in helping bridge the gap.

Each gift to the Annual Fund is directed to where it is needed the most, immediately helping those struggling under the burden of poverty in San Diego and the Coachella Valley.

Donations enable us to provide basic necessities such as shelter, food and personal care items. In addition, ECS offers counseling services, job referrals, and self-sufficiency coaching to ensure each client we serve is provided with the care and services they need to live a life of dignity.

To make a meaningful donation today, please call the Development Office at (619) 228-2800 or e-mail [development@ecscalifornia.org](mailto:development@ecscalifornia.org).

## JULIAN'S HOUSING PROGRAM FOR WOMEN & CHILDREN

The **Julian's Housing Program for Women & Children** provides supportive, transitional housing for women and children escaping the perils of domestic violence.

The program serves women over the age of 18 and their children under the age of 12 who are homeless as a result of fleeing domestic violence. Clients are accepted on as-needed basis as space becomes available without regard to culture, language, education, socioeconomic status, or religious perspective.

More than just a “shelter,” Julian’s Housing Program is a place to heal from emotional and physical wounds of abuse while acquiring self-esteem and independence. Services provided include:

- 18–24 months of transitional housing in a safe and confidential location
- Intensive case management
- Life skills training
- Domestic violence prevention education
- Referrals to substance abuse prevention services
- Partnership with career guidance agencies

Three safe and confidential locations serve the San Diego area:

**Anchorage at Gunnarson House:** A large, five-bedroom home nestled quietly in a serene neighborhood. Anchorage is home to five women and their children.

**Sanctuary:** Just steps from the beach, Sanctuary features a gated community to house nine women and their children in individual apartments.

**Hope:** Conveniently located near schools, colleges and public transportation. Hope is a secure apartment complex centrally located for families with busy and active lives.

Funded in part by the Federal Department of Housing & Urban Development, City of San Diego Housing Commission, corporate or foundation grants and individual donations.
