

PARTNERS IN MINISTRY CHURCH LIASION

Episcopal Community Services is an organization of which every one of you can be immensely proud to spread the word about our good work. We are looking for someone in each parish to be an ambassador for ECS by keeping your fellow parishioners updated on what the organization is up to at any given time, how they can help, and the impact that work is having all around us.

We are looking for cheerleaders for ECS, and we ask you to consider whether you could be just that in your church. ECS will provide you with all the information and materials you'll need along with one-on-one support. If you feel that serving as your community's church liasion is your calling, please call Alyssa Osian at (619) 228-2800 or email aosian@ecscalifornia.org. You can also fill out the form below and mail to: Episcopal Community Services, 4305 University Avenue, Suite 400, San Diego, CA 92163.
